√ (check boxes to add to work order)

	Standard Cover Rate	Any boat 0-50' (over 50' call for quote)	\$22.00/ft. X LOA
	Fly-bridge power boats	Any boat with steering station above main deck.	Add \$4.00/ft. X LOA
	Towers	Boats with tower extending through cover.	Add \$100 flat
	Sailboats with mast(s) in	Sailboats that must be covered with mast(s) in.	*Multiply by 1.5 the applicable rate for all sailboats, for second mast add \$100 flat.
	Wrap to waterline	The cover band will be below the waterline (reduces chafe and fading of colored gel coat).	Add \$2.00/ft. X LOA
	Tape cover to rub rail	If the boat has a plastic or metal rub rail at least 1" wide the cover can be taped to the rail on smaller boats under 45'. Over 45' must be covered to waterline with foam blocks.	Add \$4.00/ft. X LOA
	Vent cover with foam blocks	Spacing the wrap off the hull with foam blocks. This reduces chafe and can be a good option for painted boats that cannot be taped to a rail	Add \$5.00/ft X LOA (0-30') Add \$6.00/ft X LOA (30'-50')
	Access zipper door	Allows access to boat while covered	Large 36"X48" \$45
